OF HOME INTEREST

New goods opened at Leicham's, next week.

The Spanish Methodist mission conference is in session in this city.

J. M. Tyler was up to Albuquerque on a business trip one day this week.

County Commissioner Trujillo was down from Sabinal, this week, attending a meeting of the board.

George Smith is kept very busy all the time with the business of the different cattle companies of which he is receiver.

Mrs. S. Alexander and children who have been visiting friends and relatives at Hillsboro several weeks are expected home tomorrow night.

The territorial republican convention will be held at Las Vegas tomorrow for the purpose of nominating a candidate for delegate to congress.

County politics are warming up. The candidates for the different offices are numerous for nominations, both in the republican and democratic parties.

The Territorial populist convention held at Las Vegas, last Wednesday, nominated ex-Gov. L. Bradford Prince as candidate for delegate to congress.

The San Marcial delegation to the republican county convention last Monday was a live and active one and was composed of Messrs Howard, Bonem and Whitehead.

By the middle of next week the Territorial political campaign will be opened up in full blast. The campaign will be short, but it promises to be an extremely lively one.

There will be a match base ball game in this city next Tuesday between the Magdalena and Socorro clubs. In the evening a grand ball will be given at the opera house.

The Territorial national convention has been called to meet at Albuquerque October 12th, to put in nomination a candidate for delegate to congress. See their call in another column of this paper.

Bishop Vincent, D. D. LL. D. delivered his lecture "School out of School" at the court house, last night. The bishop is one of the most renowned lecturers of the United States and it goes without saying that he had a large and appreciative audience.

The Territorial democratic convention will be held at Santa Fe next Tuesday. The democratic fixers have got it all set up that H. B. Fergusson shall be the victim to be led to the slaughter next November, but will go through the formality of holding a convention, however.

Clement Hightower, county commissioner for the third district, came in last Sunday to attend a meeting of the board and as a delegate to the republican county convention. Mr. Hightower has since he has been on the board of commissioners justly gained the reputation of being one of the most—if not the most practical commissioner who ever served on the board since the organization of the county. He is not only a careful guardian of public funds, but always has the interests of the tax payers at heart and has gained the confidence of the people to an extent that should be very gratifying to him and will be a partial reward for his faithful services. He is the kind of man that the common people of the county will insist in keeping in some county office as long as he will consent to serve them.

The republicans of Socorro county who were cohabiting with the democrats, on account of the silver question a couple of months ago, are now tumbling all over each other in their hurry to get back in the ranks again. All of them are now loud in their protestations of loyalty to the republican party and each and every one is willing to swear that he never monkeyed around on the inside of the democratic circus tent, that he never saw a democrat, never even heard of a democrat before, and would not know what it is if he should meet one in the middle of the road.

The County Convention.

The republican county convention to name delegates to the territorial convention at Las Vegas was held at Socorro last Monday afternoon. Estevan Baca was made chairman of both the temporary and permanent organization, with Librado de Baca temporary interpreter and Clement Hightower permanent interpreter.

Although there were some slight differences regarding the financial plank in the county platform, it was discussed in a friendly manner, everything was quiet and harmonious and it can most truly be said that the republicans of Socorro county are now united more closely than ever before, and are ready to go to work in earnest, all together, and roll up a bigger republican majority next November than even that of two years ago.

The financial plank adopted was a resolution favoring the coinage of the American product of silver with a protective tariff on ores so high as to be restrictive of foreign ores and thus prevent the United States becoming the dumping ground of the silver producers of the entire world.

The delegates elected to the Las Vegas convention were as follows: Estevan Baca, W. S. Williams, H. O. Bursum, W. E. Martin, Pablo Trujillo, H. H. Howard, Demetrio Perez, and M. Cooney.

Spanish M. E. Conference.

The summer school of the Albuquerque district of the New Mexico Spanish mission of the Methodist Episcopal church held at Valverde the 19 and 23 was well attended, nearly all of the fifteen preachers of the district being present. The essays were good, well read, criticisms and observations on the same, in the main, showed thoughts. Sermons, exhortations, singing and praying showed spirituality and the meeting wound up with sixteen accessions to the church.

The New Mexico annual conference of the Spanish M. E. church is now in session in this city, presided over by the famous Bishop John H. Vincent D. D. LL. D., and is fairly well attended considering the distance some of the preachers have to come. A few come from Colorado and a few from Arizona. Of the some thirty preachers in the conference about one half are in attendance.

The conference opened with an address by the bishop, interpreted by Rev. T. M. Harwood, which was well received. The Lord's

Supper was administered by Presiding Elders Thos. Harwood, L. Frampton and A. Jacobs.

The secretary of the last conference called the roll after which T. M. Harwood of El Paso was elected conference interpreter, J. B. Sanchez, of Albuquerque, secretary; Epigenio Florez, of Solomonsville, Arizona, assistant, Leandro Fernandez, of Peralta, statistical secretary and Sylvestre Garcia, of Dona Ana, assistant. After the election of the usual committees, the conference proceeded to regular business.

The superintendent's report was then read in English and Spanish. This report showed the general condition of the Albuquerque district as well as the work in the mission in general including the school work of the W. H. M. S. at Albuquerque, Las Vegas, Las Cruces and Dulce among the Apaches, also the Biblical school at Albuquerque.

The reports of the presiding elders of the Las Vegas were then read by the respective elders, Revs. L. Frampton and A. Jacobs. The conference will be in session until Monday next.

The bishop will preach Sunday morning in the old mission chapel at 11 o'clock, in English. The sermon will be interpreted into Spanish, but it is hoped the Americans will attend. The bishop will preach at 7:30 o'clock, p. m., at the Presbyterian church, with an interpreter. All are invited.

BRYAN BEATEN.

Gen. Grosvenor, of Ohio, one of the best informed men in the nation on the political situation, gives the following estimate of the result in November:

"The six New England states, with 39 electoral votes, will go to McKinley, so I head my table as follows: New England, 39; New York, 35; New Jersey, 10; Maryland, 8; Delaware, 3; Pennsylvania, 32; West Virginia, 6; Ohio, 23; Indiana, 15; Illinois, 24; Michigan, 14; Wisconsin, 12; Iowa, 13; Minnesota, 9; South Dakota, 4; Kentucky, 13; Oregon, 4; Washington, 4; California, 9. Total 278.

"Here is a total of 278 votes, or 54 more than sufficient to elect. I come to some states which are still in doubt, to-wit: Kansas, 10; Nebraska, 8; North Carolina, 11; North Dakota, 3; Wyoming, 3. Total 35.

"Of the remaining states, Louisiana, 8; Tennessee, 12; Missouri, 17; Texas, 15; Virginia, 12; total 54, are one or more of them within the line of possibility. I might almost say reasonable probability.

"I concede to Bryan and Watson or Bryan and Sewall, Alabama, 11; Arkansas, 8; Colorado, 4; Florida, Georgia, 13; Idaho, 3; Mississippi, 9; Montana, 3; Nevada, 3; South Carolina, 9; Utah, 3. Total 70.
